

REMARKS/ARGUMENTS

The specification has been amended to correct several typographical errors. Claims 2-5, 17-19, and 25-26 have been cancelled.

Claim 26, indicated to include allowable subject matter, has been incorporated into independent claim 11. Pending claims 11-16 stand rejected under 35 U.S.C. §112, ¶2 as being indefinite for use of the language "radio frequency circuitry" and "baseband circuitry". As claim 11 has been amended to remove this language, it is respectfully submitted that pending claims 11-16 are patentable.

Accordingly, it is respectfully submitted that all pending claims are now patentable.

In view of these remarks, the application is now in condition for allowance and the Examiner's prompt action in accordance therewith is respectfully requested. The Commissioner is authorized to charge any additional fees or credit any overpayment to Deposit Account No. 20-1504.

Respectfully submitted,

Date: August 1, 2005
